AMBROSE 3

Cabasse

AMBROSE 3

Fitted with the BC13 and the 17cm Duocell woofers of Egea 3, the new Ambrose 3 is a compact speaker designed for on wall and bookshelf use. The layout (often called d'Appolito design) with the 2-way coaxial midrange-tweeter unit situated between both woofers, combined with the slim design of the cabinet and sealed enclosure, enable its on wall use, either horizontally or vertically with the same optimum results. As a centre and surround speaker, it will ideally complement an Egea 3 or Iroise 3 stereo setup for a fully coherent multichannel extension. Cinema purists will use them as LCR front speakers placed vertically behind an acoustically transparent screen and as surround speakers, combined with a Santorin 30 subwoofer.

With no restriction in the accuracy of timbres and soundstage and conforming to the principles of SCS technology, the Ambrose 3 delivers the typical Cabasse dynamic range and power handling in a compact enclosure.

Technical Data

Use :	main speaker, centre, surround
Ways :	3
Drivers :	1 x coaxial BC13 2 x 17MD18LR2 (17 cm – 7")
Sensitivity 1W/1m :	91 dB
Cross-over points:	920 – 4,800 Hz
Frequency response:	75- 24,000 Hz
Nominal impedance:	8 Ω
Minimum impedance:	3.6 Ω
Power handling:	110 W
Peak power:	70 W
Standard finish:	Golden Cherry– Santos – Glossy Black
Dimensions : Horizontal mount:	19 x 80 x 21 cm / 7.5 x 31.5 x 8.3 in
Vertical mount:	80 x 19 x 21 cm / 31.5 x 7.5 x 8.3 in
Weight :	15 kg – 33 lbs
