BORA

Cabasse

BORA, tradition and innovation

Years after Caravelle and Goélette 500, the first Cabasse compact 3-way loudspeaker systems including a 21 cm woofer, that are still being used by professionals and music lovers worldwide, we are proud to present Bora, a new monitor with stunning characteristics.

The unique spectral and dynamic performance of the former monitors has been preserved and improved, with an ease and comfort in listening never before offered by a high efficiency bookshelf system. Bora combines the analytical accuracy and dynamic capacity expected from a monitor with a large sweet spot and the unique Cabasse 3D soundstage.

This combination of focus and smoothness has been achieved thanks to the wide frequency response of the BC13 co-axial midrange-tweeter and the new 21 cm Duocell cone woofer designed for Bora, combined with a variable order cross-over.

Technical Data

Use :	bookshelf / stand
Ways :	3
Drivers :	1 x coaxial BC13 1 x 21MD20LB (21 cm – 8")
Sensitivity 1W/1m :	90 dB
Cross-over points:	800 – 4,400 Hz
Frequency response:	52- 24,000 Hz
Nominal impedance:	8 Ω
Minimum impedance:	4.1 Ω
Power handling:	120 W
Peak power:	840 W
Standard finish:	Golden Cherry– Santos – Glossy Black
Dimensions :	50 x 27 x 33 cm – 19.7 x 10.6 x 13 in
Weight :	15 kg – 33 lbs
